# Presidents Message

What a night! The HLTTV Spring Gala went off this year, with over 170 people enjoying the great food and hospitality of Bayview on the Park, and digging deep in their wallets to support the Second Chance Accommodation Program. Such generosity! What amazing dance moves! It was an incredible night, and thank you to everyone who came, donated prizes and helped make the night a stunning success. Thanks especially to the organising dream team of Maarit, Cheryl, Tina, Fiona and captained by the incomparable Martina. Their incredible effort raised over \$12,000 for the Second Chance Accommodation Program and put a lot of smiles on the faces of our guests on the night. Amazing! But... bad news ladies – I think we need to do it all again next year!

If you missed the fun of the Gala, don't worry. Our Christmas BBQ is coming up at Fawkner Park on the 25<sup>th</sup> of November. All the details are in this edition of The Circulator. While we can't promise the same quantity of wine, steak and lemon tarts as the Gala, we can promise the same warm vibes and community feel. All members, supporters and friends are welcome along – we'd love to see you there.

Also coming up is our Annual General Meeting. All positions are declared vacant at the AGM, and all members are eligible to nominate for a position. This year we're saying farewell to our VP Camille and our Secretary Emily, so we definitely have vacancies on the committee for anyone interested in being part of the HLTTV. There are also ordinary member positions vacant, which means you can step into the committee as a more general volunteer and find your niche.

Finally, I have to let the community know that I'm also stepping down from my role as President, and stepping off the committee. I have been a committee

member for 7 years, and started volunteering nearly 8 years ago – just after my transplant. Being a committee member of the HLTTV has been an incredible part of my journey, but now it is time to hand the reigns on to someone else. I'd highly recommend considering volunteering if you're thinking about it at all – it's a friendly organisation in which you can make a real and immediate impact to the lives of transplant recipients and their families. If you're interested in learning more, please contact me:

[president@hlttv.org.au](mailto:president@hlttv.org.au) or Emily:  
[secretary@hlttv.org.au](mailto:secretary@hlttv.org.au)

Thank you for all your support over the years, and I'm excited to see what's in store for the HLTTV in 2019.

Louisa Walsh - President

# Editors Report

Hey everyone,

It is incredible to think we are already on our final Circulator of the year, and already planning our next Christmas BBQ! It is crazy how fast the year passes us by. But with that there is much to reflect on, and also much to look forward to – with another year around the corner comes new exciting opportunities, more fun events, and different and challenging experiences.

But what can we reflect on from the past year at HLTTV?

This year has certainly been plentiful in its social events and outstanding fundraising achievements. The Easter BBQ was a smash-hit – it was great to see everyone down at Fawkner Park showing their support for the Committee, and most importantly for each other. We hope to see you there again soon for our Christmas BBQ which will be happening on November 25<sup>th</sup>.

We also had our first ever movie fundraiser night which featured the movie 'the Breaker Uppers'; this

definitely left a smile on everyone's faces.

Then came our favourite part of the year– the Spring Gala – the wine was flowing and the food never-ending. It was a great night, and a great excuse to get dolled up.

Beyond all these awesome event successes we were also fortunate enough to be nominated for the Wanless Family Fund, an incredible honour of which we are so grateful - but this was truly topped by the amazing number of donations from our supporters. HLTTV cannot thank you enough.

So, as you can tell this edition is an issue of 'reflection' – there will be photos, stories and an overall appreciation for the outstanding year that just was, and all the supporters that made it possible.

Hope you enjoy,

Ariella – Circulator editor.

# "An Inspiration To All"

By Jenny McKay

Born with Cystic Fibrosis in July 1961, my little brother Gary was a true Aussie battler!

His celebration of life was attended by 300 people in April this year, proving what an inspiration to he was to all.

From a cheeky toddler, I can only remember a little brother who never complained, loved playing tricks and was always positive and jovial despite his daily struggles.

Music was his first and last love, and had been so beneficial for him. He started learning piano when he was 10 years of age, and soon became a maestro! He not only played in at least 16 bands around Geelong and Melbourne (my children were so proud of their "Rock Star uncle!"), but also composed a lot of music depending on moods and events at the time. He had his own busy music studio, to record great tapes and CD's, and he accompanied several Geelong theatre productions. Keyboard was his real passion, but he also played drums and guitar.

He worked at Telecom in Geelong for 14 plus years-part time at the end.

Alfred Hospital visits had become more frequent, so he was put on the transplant waiting list in mid-1997. He was SO excited and fortunate, when, 18 months later, while an in-patient, new life-saving lungs arrived for him! He was so grateful to the donor family and the transplant team for their generous gift, and was a huge advocate for organ donation. He wrote in the Circulator in 2016 after his 17 year anniversary to say what a change it made to his life. A new lease of life made it possible to go out with friends and family, playing in gigs again, singing now on recordings, and became so chatty!! After the double-lung transplant, Gaz completed a Diploma in Music Performance (Jazz and Popular), receiving an outstanding achievement trophy. Another of his great loves were his 3 "kids"- dogs, Jazmyn, then Bluey and Roxy – they were very spoilt, and he was so devoted to them. He loved the outdoors, the beach, the Barwon River walks and the many visits to our country farms to catch up with his loved nephew, nieces and their families.

He would accept challenges- enjoying constructions, jigsaws, photography, reading, and

always learning more creative computer skills. Gaz was such a perfectionist and very methodical - always busy!

In one of the tributes at the service, a band mate referred to Gary as - "Big Fella"- this was certainly not for stature, but for his heart, spirit and determination.

Another added that he never said a bad word about anyone, and loved laughter!

The Blues Club arranged a wonderful "Living Legend" tribute concert in his honour last year- he played a couple of tunes with each band.

A cousin hosted a Cystic Fibrosis head shave earlier this year. \*\*

This Persistence piece was framed in his house- he lived by it. \*\*

His favourite quotes were:

"Worse things can happen" GQ

"A day spent without making someone laugh or at least smile is a complete waste of 24 hours". GQ

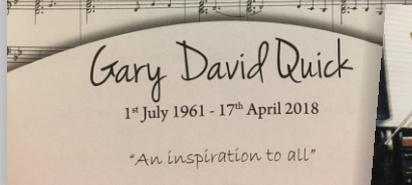

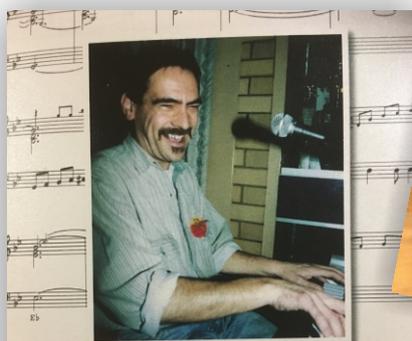

"A dog is a man's best friend" Unknown

"Music was my first love and it will be my last" John Miles

He will be so lovingly remembered, not only from the family but his many friends - especially Gwen- "Foxy" who was a great support to Gaz since they met in 2001. We will always remember his never-ending humour, positive nature, talents, perseverance and compassion.

We must thank the Royal Children's, Alfred, Grace McKellar and Geelong Hospitals for their excellent care. We were so fortunate that the donor family gave Gaz that extra time with us all - sincere gratitude to them too.

Jenny McKay ( "big sis" as he called me!)

# MOVIE NIGHT

featuring

# The Breaker Upperers

This year was the first time HLTTV organised a movie night exclusively for its members as part of its winter activity. It was held at the cosy Como cinemas in South Yarra in conjunction with DonateLife week. Despite being a typical Melbourne winter night (cold and wet), we had a warm turnout (popcorn helps!). The movie chosen was 'The Breaker Upperers' and there wasn't a person in the cinema who wasn't laughing! Big thanks to those of you who braved the cold to spend some time with your fellow friends.

For those who couldn't make it, you missed out on loads of belly laughers, popcorn and the luxury of a private cinema with your friends!

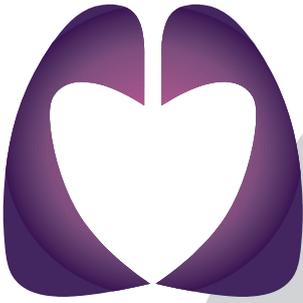

We hope to see you all at our next event!"

# Treasurer's Corner

by David Pidgeon

Thanks to everyone who continues to support HLTTV with their generous donations and fundraising activities, many of which have featured in recent editions of The Circulator.

It is clear that many members donate additional funds at the time of making their annual subscription

The 2017 /18 accounts are currently being reviewed by our auditors, but the draft result for the year ended 30th June, 2018 shows we made a small surplus of around \$8000

This has been thanks to not only the donations, but also the receipt of a grant from the Australian Communities Foundation during the year for \$20,000 - to directly support the accommodation programme.

Of course, we had the gala dinner last year and this raised \$12,000 - I am happy to say that the recent event (which falls into the 2018 / 19 year) repeated that fantastic effort!

As you may know, the costs of running the accommodation

and advocacy programmes run to in excess of \$100,000 a year. This will increase slightly in this year's budget as we are now running 8 rooms, coupled with the fact that state subsidies that fund the accommodation have fallen in some states.

On behalf of the Committee I thank you all for your continued financial support and spreading 'the word'!
